**ACTIVITY:** *Explain any restrictions to activity (e.g. knees, back, ankles and what cannot be done)*

Has your camper ever stayed away from home overnight (relatives, camp or friends)? Yes      No

Has she ever been homesick\*? Yes No What can our staff do to help with this?

*\* If your camper is homesick, we will attempt to work with her to resolve the issues. If she continues to be homesick, we will attempt a phone call home. However if she continues to be homesick after calling home, then the parent/guardian will be expected to pick-up the camper from Caddoodles camp.*

Does she have any fears (insects, storms, etc.)?

Have there been any recent changes or stressful events in her life (moving, divorce, death, new baby)? If yes, how is she dealing with the issue?

Any other information that will be helpful in providing your Girl Scout with the best experience at camp?

Use this space to provide any additional information about the camper’s behavior and physical, emotional, or mental health which the camp should be aware. Such as sleepwalking, bed wetting, diabetes, seizures, asthma, etc.

To the best of my knowledge, the Health History Form is complete and accurate. My daughter has permission to participate in all prescribed activities, except as noted by the physician and/or myself. In the event that I cannot be reached in an emergency, I give permission for camp authorities to take necessary emergency actions, which may include related transportation, admission to hospital, x-rays, routine tests, emergency surgery and treatment for the health of my child. I agree to the release of any records necessary for treatment, referral billing, or insurance purposes. It is also my intension that camp authorized be treated as a “personal representative” for purposes of disclosing protected health information to keep me informed of my child’s health status. The Girl Scouts Council provides supplemental sickness and accident insurance. This completed form may be photocopied for trips out of camp. This information will be shared with camp counseling staff as appropriate.
